OBJECTIVE

Possessing a strong foundation in Mechanical Engineering, and eager to apply my skills and expand my knowledge across various work aspects. My adaptable and open-minded approach enables me to integrate seamlessly into diverse teams and projects. I am committed to continuous learning and professional growth, always seeking opportunities to innovate and improve processes.

EDUCATION BACKGROUND

Universiti Teknologi Malaysia

September 2024 -

Ongoing

- The Bachelor of Mechanical Engineering with Honours
- CGPA: 3.07 (Current)

Politeknik Kota Kinabalu

March 2021 – January 2024

- Diploma in Mechanical Engineering
- CGPA: 3.64 (Dean's List)

Sekolah Menengah Kebangsaan Kota Marudu

January 2015 - December 2019

- Malaysian Certificate of Education (SPM)
- SPM: 2A-, 2B+, 2B, 1C+

WORKING EXPERIENCE

Borneo Samudera Sdn Bhd (Internship)

August 2023 – January 2024

Mechanical Technician

- Conduct regular inspections and maintenance of all machinery, including pumps, in the palm oil mill to ensure optimal performance and longevity.
- Perform preventative and corrective maintenance on machines and equipment, minimizing downtime and enhancing operational efficiency.
- Ensure safety and compliance with environmental standards.

EK Jaya Sdn Bhd

February 2024 – May 2024

Electrical Technician

- Electrical wiring for various applications.
- Perform air conditioning maintenance, including gas refills, installation, and removal.
- Install generator sets, manage and maintain main switchboard systems.
-

LEADERSHIP & ACTIVITIES

Mechanical Engineering Innovation Exhibition

Project Leader

July 2022 – May 2023

- Led a team of 4 in the design, development, and implementation of a mechanical system, ensuring timely completion and adherence to budget.
- Coordinated team efforts, facilitating effective communication and collaboration, and provided mentorship to team members.
- Prepared and presented project reports and documentation to faculty advisors and industry experts, successfully mitigating risks and resolving technical challenges.

ADDITIONAL INFORMATION

Soft Skill: Adaptability and Flexibility, Committed, Teamwork, Collaboration and Problem-Solving.

Hard Skill : Microsoft Office (**Excel**, **Words** and **PowerPoint**), Welding (Basic Proficiency in **SMAW**, **TIG** and **MIG**), Computer-Aided Design (Basic Proficiency in software such as **AutoCAD**, and **SolidWorks**).

Language : Malay (**Native**), English (**Fluent**) and Chinese (**Basic Proficiency**).
